RE: Pre-General Report (10/01/2010 – 10/13/2010)

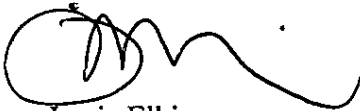

Mr. Whyrick,

The Committee is amending its Pre-General Report for 2010 due to additional information provided after the date of the original filing. The Committee received notice of an in-kind contribution from John Schaeffler that occurred during the period. In addition the committee discovered a duplicate in the database for W. Brad Jupp that when merged caused an un-itemized contribution to become itemized.

Please find attached the amended Summary and Detailed Summary pages as well as the affected Schedule A and B forms from the changes referenced above.

If you should have any additional questions please contact me at 303-518-4165.

Sincerely,

Jamie Elkins
